NEAR DEATH BY SMOTHERING

But Husband, With Aid of Cardui,
Effects Her Deliverance.

Draper, N. C.—Mrs. Helen Dalton, of
this place, says: "I suffered for years,
with pains in my left side, and would
often almost smother to death.

Medicines patched me up for awhile
but then I would get worse again. Final-
ly, my husband decided he wanted me to
try Cardui, the woman's tonic, so he
bought me a bottle and I began using it.
It did me more good than all the medi-
cines I had taken.

I have induced many of my friends to
try Cardui, and they all say they have
been benefited by its use. There never
has been, and never will be, a medicine
to compare with Cardui. I believe it is
a good medicine for all womanly trou-
bles."

For over 50 years, Cardui has been re-
lieving woman's sufferings and building
weak women up to health and strength.

If you are a woman, give it a fair trial.
It should surely help you, as it has a
million others.

Get a bottle of Cardui to-day.

Women Are Independent.

Rheta Childs Dorr says that the wo-
men of Finland share in everything
with the men and are chimney sweep-
ers and hod carriers as well as
clerks and stenographers. She says
that most of the unmarried women
have money, which they have earned
themselves, and it is almost impos-
sible to find one of them depending on
father or brother.

Hunting Licenses Executed

Everybody desiring to carry a gun for any purpose
must secure a Hunting License whether he hunts on
his own property or elsewhere.

For Tired Feet.

Nothing helps tired feet more than
regular rubbing with vaseline or some
other pure fat. Mutton tallow is very
good and agrees with every skin. Sol-
diers grease their feet every night
when on the march. An ounce of flex-
ible collodion and 30 grains of salicylic
acid is an effectual corn cure, but
must not be allowed to touch the heal-
thy flesh.

True Wealth.

There is no wealth but life, includ-
ing all its powers of love, of joy and
of admiration. That country is the
riches which nourishes the greatest
number of noble and happy human
beings; that man is the richest who,
having perfected the functions of his
own life to the utmost, has also the
widest helpful influence.—Ruskin.
